Email Mrs. Sanderson at: sandersont@pvpusd.net with the following information by Tuesday to reserve your book for Thursday pick up.

1. Student ID Number, grade, teacher, and full name of student.
2. Title and Author of the books to reserve as well as Call #, found in the Cornerstone online book catalog. Please have 1 or 2 alternate books listed as books will become unavailable as holds requests are filled.

You will receive an email confirmation by Wednesday with book details to be picked up on Thursday.

We will be allowing 2 books to be checked out at a time per student. Both books will need to be returned before checking out more books. Please come to the driveway outside the office to pick up books. You will not need to exit your car! Social distancing and masks will be required. You may either put a sign on your dashboard with the family last name or you may roll down your window and I will pass books to you. If you are uncomfortable with taking books from me you may open your trunk and I will place books in the trunk.

Books will be quarantined for 5 days before being available again. Book return and check out will be only done on Thursdays from 11:30-12:30 unless demand begins to exceed this time allotment.

Thank you and Happy Reading,

Thea Sanderson
